O QUE É IONIC?

A hand holding a white iPhone. The screen is dark with a starry pattern. At the top, it shows 'AT&T' and a signal strength indicator. The time '12:23' is displayed in large white digits. Below the time, the date 'Monday, March 2' is visible. At the bottom of the screen, the text 'slide to unlock' is partially visible. The battery status at the top right shows '75%' and a battery icon. The background is dark and out of focus.

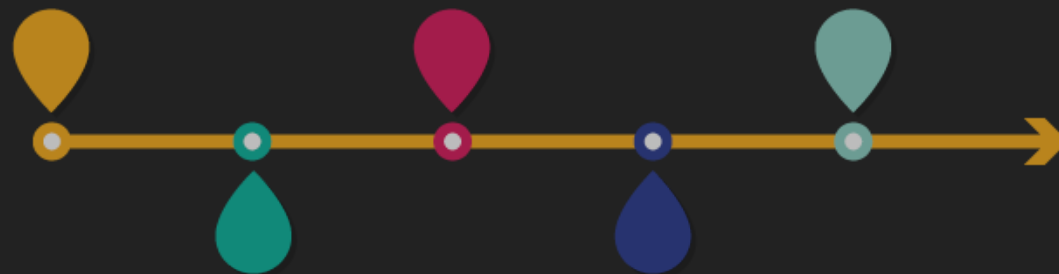

UM FRAMEWORK DE DESENVOLVIMENTO MOBILE

De acordo com documentação oficial

Ionic Framework é um kit de desenvolvimento open source para a criação de aplicações mobile e desktop performáticas e de alta-qualidade usando tecnologias web (HTML, CSS, and JavaScript).

HISTÓRIA

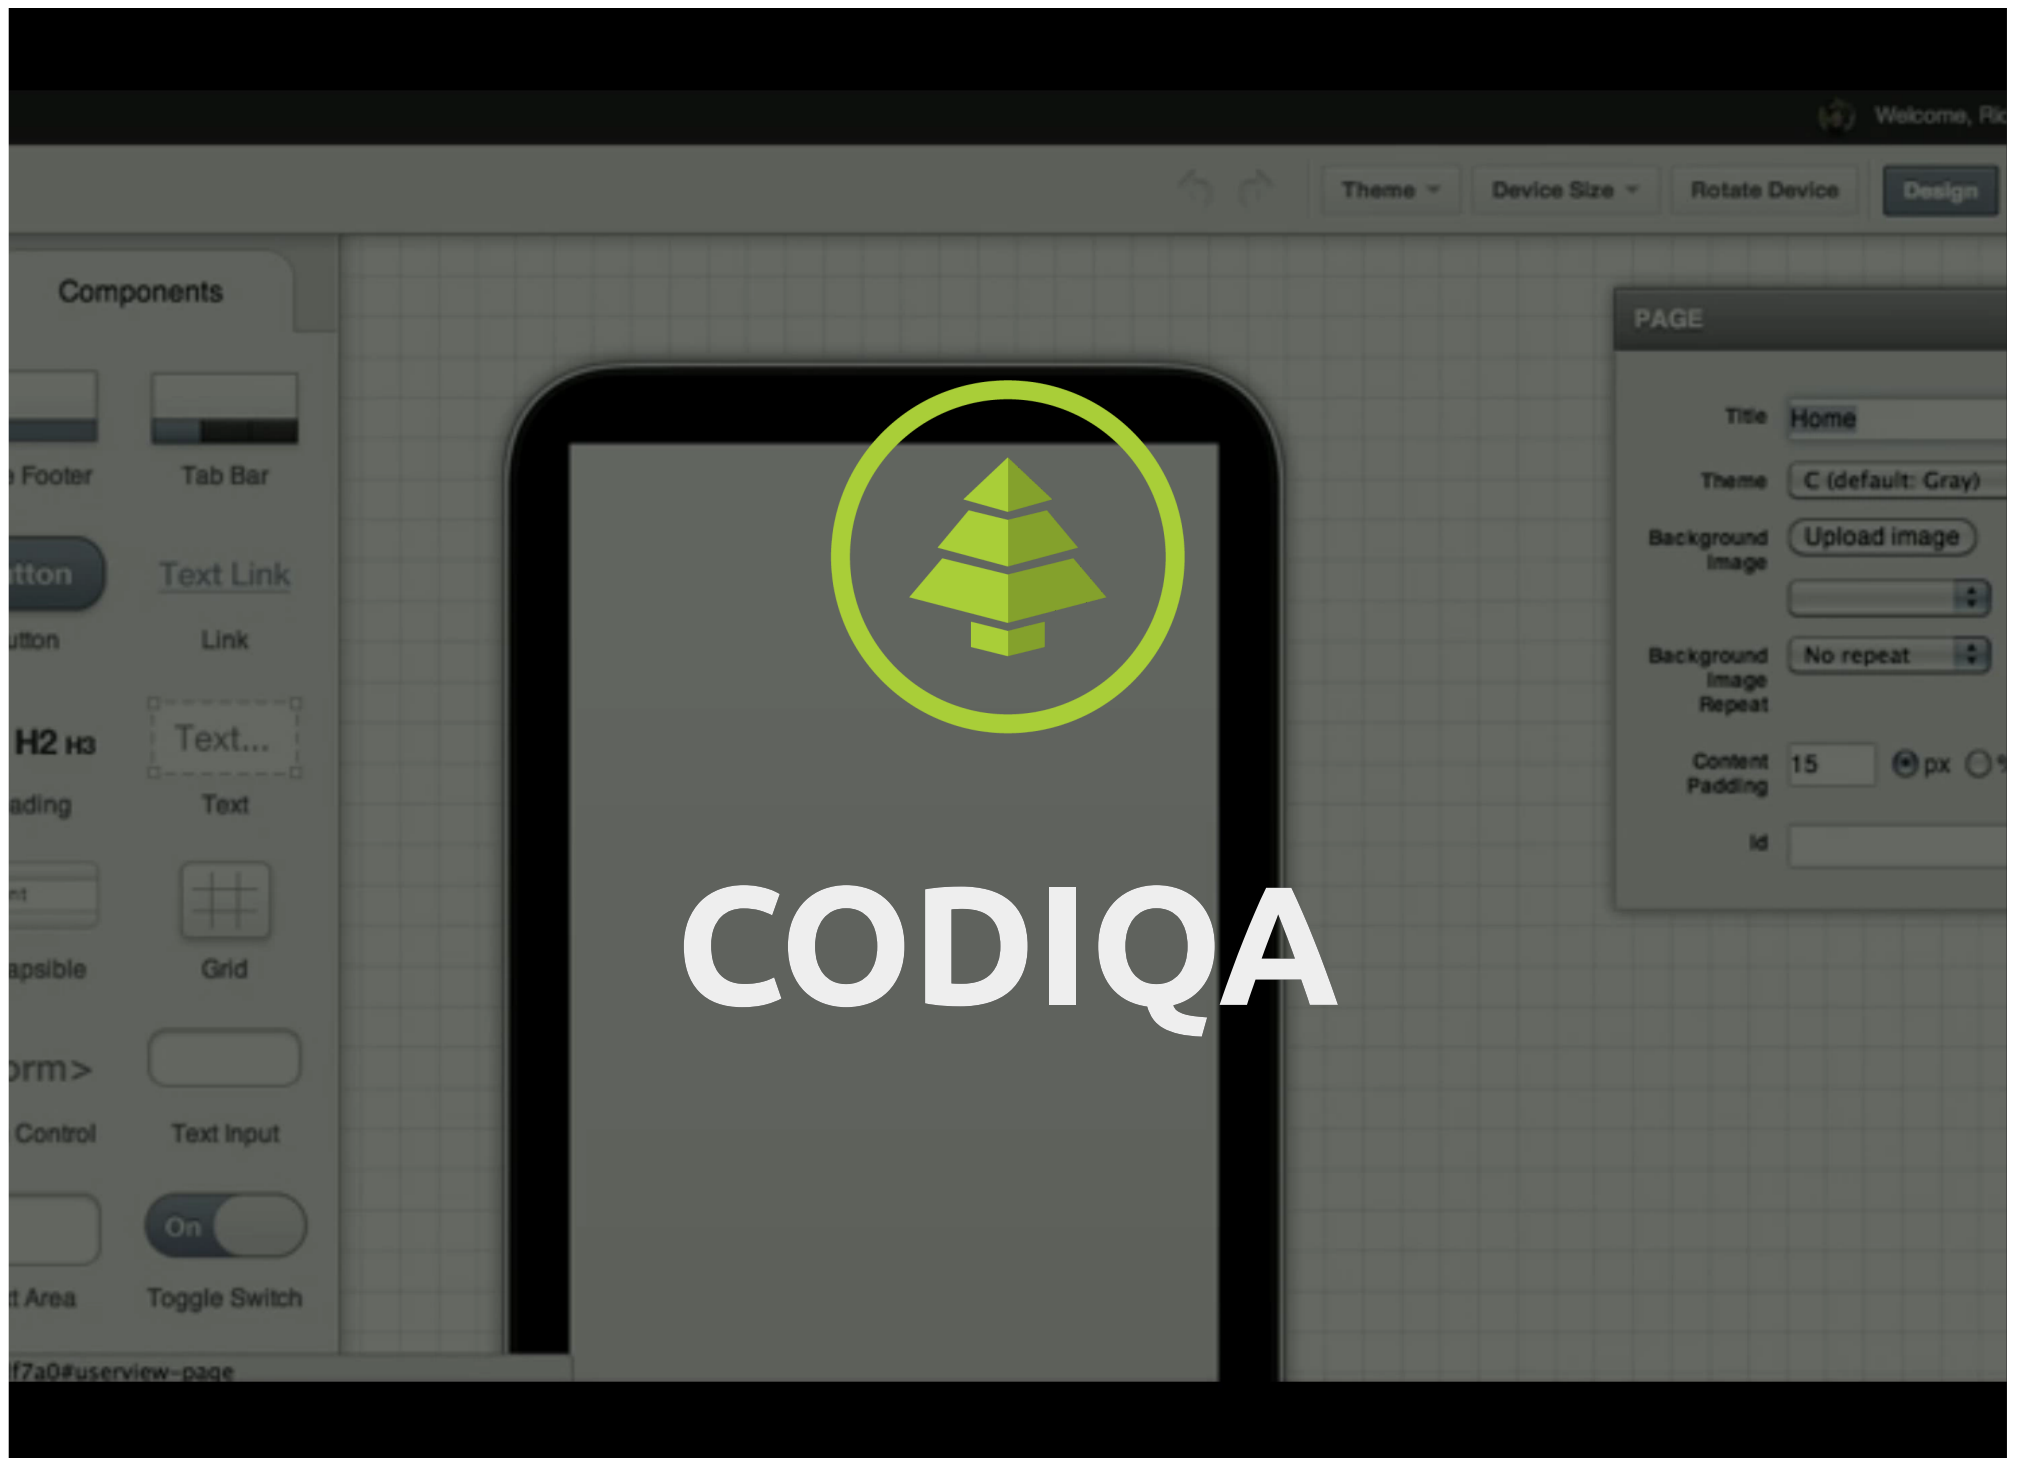

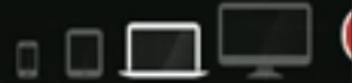

The background image shows a modern office interior. On the left, a dark grey wall features a large, white, 3D logo of a stylized 'D' inside a hexagon, followed by the word 'DRIFTY' in large, white, 3D capital letters. In the foreground, a red sofa is partially visible. To the right, there is a glass-walled office space with desks, chairs, and a potted plant. A large window reflects the exterior building.
